Subject: MSFT settlement

I urge you, the DOJ to settle and be done the this Microsoft litigation case. It has been going on for fours years now and two presidents. I think the government and the DOJ has more inportant things to do. With the way things are in the world today I think your resources could be put to better use for the american peapole. Do not let a minorioty stand in the way of what the majoity wants. Put the case to rest!
